All-Around Competitions

Guidelines:

- 1) Participants will dance two dances of the judge's choice, one smooth and one rhythm, announced at the time of competition. In the case of a tie, the judge will select a third dance as a tie-breaker.
- 2) Different heats of the same competition will be judged individually and dances will be selected independently.
- 3) All-Around Competitions are closed category. Only School figures and variations from the syllabus are allowed. Figures may be borrowed from other dances (within the appropriate level), per the interrelated system.
- 4) At the end of the competition, one winner will be announced. The placement for the rest of the finalists will not be given.

Good luck to all our competitors, and happy dancing!
